I further state that I am a(n) DEA Task Force Officer and that this complaint is based on the following facts:

Official Title

On January 16, 2003, a confidential informant (CI) working in conjunction with your affiant approached Kum Suk Hong for the purpose of purchasing crystal methamphetamine from Hong. At the time the confidential informant was accompanied by an undercover DEA Special Agent (UC). Hong told the CI that she would not distribute the methamphetamine in the presence of the undercover agent. Once the UC left the area the CI entered Hong's residence and purchased one ounce of crystal methamphetamine directly from Hong. This transaction was recorded and the substance purchased from Hong was analyzed to be 26 grams of d-methamphetamine. Hong's residence is located in Honolulu, Hawaii in the District of Hawaii.
